

Luther Towers / Luther Village

June 2020

EXECUTIVE DIRECTOR COMMENTS....

On June 1, 2020 we will be starting to relax some of the restrictions we put in place to protect the staff and residents. The reopening of facilities and transportation will be done in accordance with the State of Delaware requirements and CDC recommendations. Each activity will be evaluated and we will establish recommended protocols to insure safety. Transportation will begin with reduced capacity and requirements for wearing masks and cleaning the vehicles regularly. Most of you are aware that 65% of the deaths in Delaware are associated with nursing homes and senior facilities. Successful reopening will be dependent upon cooperation of all residents and their guests. We have done well and also been lucky that no resident or staff member has contracted the Covid19 virus to date. Please exercise caution in all you do and we will get through this pandemic together.

I realize that wearing a face covering/mask is a nuisance, however it is still probably the most effective way to prevent the spread of the virus. The mask needs to cover both your mouth and nose to be effective. Additionally hand washing is extremely important to prevent the transmission from surfaces. We are increasing the cleaning of hand rails, doors and elevators since they are surfaces that many touch every day. Masks will be required inside all facilities with only a few exceptions and will be used on transportation so be prepared. Masks do not need to be worn outside away from the entrances as long as social distancing is followed (6 feet).

Everyone needs to understand that restrictions and directives from the state can change so we will update any changes as soon as we can. Please be flexible.

In June Kent County will be installing a new sewer line that unfortunately traverses the entire Luther Towers Campus. The line will cause the closure of Lakeview Drive and will affect the traffic flow when leaving. The construction will start near the south end

of Luther Towers III and proceed north to the exit columns and then on the west side of Luther Towers I.

From the west side the line will run through the back garden area between the large Magnolia tree and the Cherry tree, then between the gazebo and Luther Towers I north entrance.

The line then travels up through the center of the Luther Towers II parking area to the north and to the fence. All parking will be closed in front of Luther Towers II during construction so residents will be directed to the other parking areas near Luther Towers IV south lot and the visitor lot near the entrance. Hopefully this construction will be completed in about a week so we will reestablish parking as soon as possible after construction is completed. We are still holding coordination meetings and I will share the information as I get it. Watch for postings on Telagenda.

We have a new maintenance technician Mr. Lew Friday who joined the staff on May 18, 2020. He will be learning the job so you will be seeing him around campus. He will be hard to miss as he is taller than Kelly. Make sure you take to opportunity to say hi when you see him.

THE BULLY BLOG

Well on June 1st some things will be opening back up. Nowhere near what it used to be, but at least moving in the right direction. For the time being we are still having to wear masks when we are in public places. Although inconvenient, we don't want to be the one to make someone else sick (or worse). So just keep hanging in there and doing your part to stay safe and we will see this through. We have had some individuals needing reminders to wear them while in public. I thought it encouraging when a resident gave me a note stating once he realized he was wearing the mask to protect others from becoming sick (or worse) he would eagerly comply. What a positive way to look at this.

I really appreciate the timeliness of everyone in returning their recertification paperwork. This again is not our norm, but you have been doing an amazing job returning the items I need for re-evaluating your rent. Thank you!

I also received information from a resident stating DART Paratransit will start charging a fee again starting June 1. They will not be accepting cash or tickets for the time being. So you can either pay with an app on your phone or they will send you a bill. I have included a copy of those two documents towards the end of the newsletter for you to view. If you have any questions, I would refer them to DART.

“TALK WITH TRICIA”

Hello Everyone ☺

FOOD BANK WILL BE JUNE 16. Luther Village will be 11:30a.m.-12p.m. Luther Towers will be 12:15p.m.-1p.m. Please continue to follow social distancing guidelines as directed at the food bank. If there are any further instructions we will distribute a memo.

I am hopeful that we will begin to see a little more activity around campus. If I have learned one thing through this pandemic it is what an amazing Board of Directors and Executive Director Luther Towers and Luther Village are blessed to have running the company.

I think we have all seen what an actual apartment complex would feel like by going through the last couple months. The activities and services offered by Administration make us so much more than an apartment complex and I am sure you all feel the same by now. I hope we all have a new found appreciation for services offered. I feel so much more grateful for our wonderful restaurant, libraries, computer rooms, activity rooms, bingo, dominoes, bible study, exercise rooms, movies, MEDICAL TRANSPORTATION, BLUEBIRD.

CHAIR EXERCISE will resume with Betsy at Luther Village 3 Activity Room
On Thursday June 11, 2020 at 1:15p.m.

- Participants MUST WEAR MASK upon entering and exiting Activity Room
- Participants may remove mask during exercise time only
- Exercise chairs will be distanced
- Remain at least 6ft from each other at all times
- Chairs and exercise equipment must be sanitized after use

We want to continue to keep you safe and staff safe so please continue to call us to discuss your needs. If an appointment is necessary we will set up a time to meet in person. You can reach me at 674-1408 ext 131. Open office hours will not resume as of yet.

We are here for you and please know you are not alone, we are all in this together.

Thank you, Tricia

Notes from the Desks

“You may not control all the events that happen to you but you can decide not to be reduced by them.” - Maya Angelou

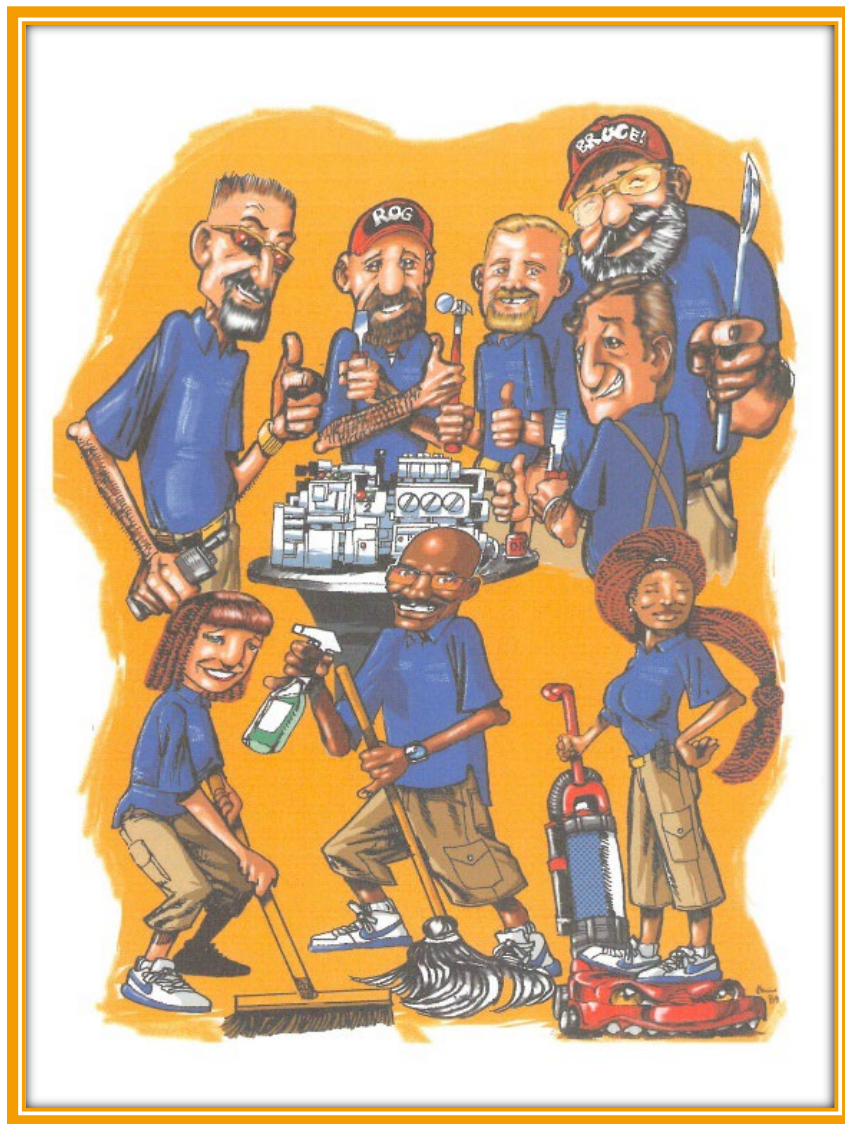

Governor Carney’s guidance states that the best defense against COVID-19 is frequent hand washing, avoiding being around sick people, staying home/physical distancing, and avoiding touching your face, mouth, eyes, and nose with unwashed hands. Unfortunately, Security continues to see – and report – folks not wearing face masks. Your mouth and nose need to have some sort of covering over them, one which can be washed after each use (or at least daily).

Please be sure to inform your guests that at this time only one visitor is allowed per unit at a time and that children under 18 years of age continue to be banned from our buildings. Plan to meet them outside when they visit. Also, they should know ahead that we have no public rest rooms available.

Lots of grumbles about residents relaxing rules about appearance in public areas so remember: NO nightclothes, bare feet, or wearing curlers outside your apartment. And there’s genuine concerns about people using shopping carts for their soiled laundry and bags of trash – food is transported in these and should not be in contact with dirty items.

Other than that, everyone is really pitching in to ride this threat out and your efforts – and patience – are sincerely appreciated!

TRANSPORTATION/ACTIVITIES

DUE TO COVID 19 THERE IS CURRENTLY NO MEDICAL TRANSPORTATION, BLUEBIRD SERVICE OR ANY ACTIVITIES BEING CONDUCTED AT THIS TIME. AS SOON AS WE ARE GIVEN THE ALL CLEAR WE WILL HAVE THEM UP AND RUNNING. THANKS FOR YOUR PATIENCE.

INFORMATION FOR BOTH CAMPUSES

Rent will be pulled on 4 June. Some months your rent may not come out of your account on the 4th, due to holidays, weekends, etc. **Please check with your bank to verify the rent has been deducted** before pulling your money out assuming the rent was already paid. This will save you from Non-Sufficient Funds problems.

DART will resume full-service levels starting Monday, June 1, with the exception of the seasonal Beach Bus services in the resort areas. Front door boardings and fare collection will also be reinstated.

To promote the use of contactless, cashless fare payments using the **DART Pass** mobile payment app, DART is offering further discounts on Daily, 7-Day and 30-Day passes on the app. For customers not using the app, DARTCard and Pass Sales will resume at the following DART locations: Wilmington Transit Center, Amtrak Station, DART Administration Buildings in Wilmington and Dover, 718 N. Market Street in Wilmington, Rehoboth Park & Ride, and Lewes Transit Center. See [Ticket Sales](#) for other locations.

Paratransit fares will be charged; however, there will be no cash or tickets accepted or handled by the Operator. Customers are encouraged to use **DART Pass** to pay their fare. Those choosing not to use the fare payment app will be billed for their trips.

Thanks for riding! For your traveling convenience download the free DART Transit app
