KIM MENDOZA

2024! Wow! Can you believe another year is upon us? Where did last year go? I hope everyone had an amazing Christmas. I do want to thank everyone for the thoughtful Christmas cards, gifts and the ABUNDANCE of baked goods showered on the staff at Christmas time. It is always fun to spend time with friends and family enjoying great food and fellowship.

Looking forward to a brand-new year filled with health and prosperity for everyone.

One of the last projects we did for 2023 was the activity room renovation of Luther Towers II. There is still updated furniture on order and we hope to have the decorations back up in the very near future. Thanks for your patience during the renovation process. *(see pics pg 3)*

Our outstanding maintenance team painted all the lobbies by the elevators in Luther Towers I. What a difference that made. Love the color. We also completed resurfacing the elevator floors in all of the buildings. I know there was some smell and inconvenience experienced by residents, and we appreciate your understanding. We are hopeful these new floors will hold up well to all the wear and tear they experience. I am sure, as we go into the new year, there will be more projects to do.

Pet Reminder: Just a reminder for individuals who have pets which they allow to walk on a long leash through the buildings (not those in a stroller). You need to keep your pet close to you. This can be either right beside you or directly in front of you, **but not with the leash fully extended.**

Keeping the dog in front of you will allow you to know what is going on with your pet. Also, keeping them close will keep them from getting hurt (and we have witnessed this) or possibly causing another resident to be hurt by tripping over the leash.

Another concern with pets, there are residents who are either afraid of pets or allergic to

them. When getting on/off the elevators, if you encounter an individual who expresses they are afraid or allergic, please be respectful and give them the necessary space to pass. This could be waiting for the next elevator. This respect goes both ways, however; those who may be afraid or allergic should express their concern in a polite manner to the pet owner.

Deliveries: We have packages delivered around here daily from Amazon and UPS; unfortunately, they do not always make it to their intended destination. Sometimes they are left in the entryways, by the mailboxes, the wrong person's apartment, or even the wrong building! Security does a really good job watching the public areas and, if they see packages, will make sure they get to where they belong.

If you happen to see a package and it is obviously in the wrong place – you can either bring it to the Security desk, or call the desk and they will get it at their earliest convenience. We appreciate the help, and so do the individuals who are expecting that package.

Security continues to receive complaints from residents stating they are smelling cigarette smoke and marijuana odors in our apartment buildings. Just a reminder that smoking of marijuana is illegal and could result in termination of your lease. Smoking cigarettes is a violation of your lease and will be dealt with in according to your lease. We have terminated leases in the past for both. Please don't put yourself in this position.

Not that this has anything to do with Luther Towers/Luther Village, but if anyone watches the news you can't help but to see all the issues our country is experiencing. So much discourse and division among different groups of people, not to mention the theft that is rampant in so many big cities. It is really sad to witness the societal decline taking place. We can just pray that things turn around so the United States will continue to be a safe and loving place to raise our families.

Kim

From the Desk of The Deputy Director – JESSICA PARSONS

Happy New Year! Hoping 2024 is filled with good health, happiness and peace. The Luther Towers / Luther Village staff celebrated Christmas with dinner, raffles, and employee recognition. We have attached some pictures of our wonderful staff to share with you. We look forward to great things in the New Year.

The staff would like to thank the residents who gave cards, candy and cookies. We appreciate your generosity and kindness this holiday season. However, I would like to remind residents that staff is prohibited from accepting cash tips/gifts from residents. Gift cards \$25 or under are acceptable.

The bulletin boards in each building are a great tool for us to inform you on upcoming activities & sign-up sheets or information we need to pass along. There are also items that are required by HUD (Department of Housing and Urban Development) to be posted and updated when necessary. Please do not remove any items or add to the boards without permission from Tricia Robinson.

We recently had a visitor who tried to obtain access to a building and they were denied entry from the resident. However, another resident was entering the building and the visitor followed behind. We are not asking you to engage with visitors if this happens, but ask that you report to the security desk so they can determine if the individual is authorized.

Luther Towers / Luther Village are non-profit organizations; as such, funds are limited to do big capital expense items, improvements, etc. As some of you may be aware, Kari works on grants for Luther Towers / Luther Village for various things we may need. This can vary from computers, upgrades to security systems, nurse calls, new roof, exercise equipment and much more.

Recently, Kari submitted a grant asking for \$135,000 to renovate some bathrooms to include walk-in showers. We were notified that we were awarded \$100,000 towards the project. This enables us to renovate 9 bathrooms in total.

Luther Towers / Luther Village strives to provide facilities that allow residents to have what they need to age in place. This renovation will greatly enhance livability of the apartments for our seniors. This is a tremendous blessing and I have no doubt the residents will also be blessed.

Happy New Year to you all! It's so fabulous to be handed a brand-new year to start afresh. It makes me think of how beautiful it is right after a new fallen snow (before anyone steps on it). So pristine and fresh. Did you make any plans or resolutions for the new year? A lot of people have great success in challenging themselves to change old patterns or do something new.

Personally, I try not to make New Year's resolutions because I'm quite good at breaking them (in fact, I'm a champ!). For some reason, even goals don't get very far with me. If I want to change direction or turn over a new leaf, I've found that making an intention and keeping that in my mind works the best for me. I'm an overthinker by nature, and I have to practice "metacognition" (thinking about what you're thinking about) in order to break out of it. I suppose this is what some would call "mindfulness." We all have our own way of doing things.

So, however you approach the new year, whether it be resolutions, goals, intentions, or treating it like just another day, the possibilities are boundless. Each new day has its own new potential. Celebrating the new year just reminds us that God gives us a blank sheet of paper to doodle on every single day. My New Year's wish for you is that you

Christmas Blessings: Resident Patricia Yancy was so sweet to decorate the LT-I activity room Christmas tree in my favorite colors and pattern: red & black plaid! Here's a picture I'd like to share, and we're so color coordinated! What a lovely surprise!

Thank you, Trish.

continue to do the things you love and consider trying something new. May the new year bring you joy, health, and contentment!

A FEW REMINDERS:

- You must sign in each guest even if they're coming in with you or visiting for a short amount of time. Each desk has a guest log where we can document the name of your guest as well, or they can sign in using the Rise Entry System. This is for safety, security, and emergency situations that may arise.
- Any maintenance concerns are to be reported to the security desks. We document them in a log and contact maintenance for service. *If you tell one of the maintenance crew in the hallway, they will refer you back to the desk.* Tracking them down is probably going to take longer (they're everywhere taking care of all things), and you'll be back to square one with the reporting procedure.

Here's a lovely snow poem published in 1943. This is like a lullaby to me because the repetition feels as if I'm being rocked back and forth. I hope you enjoy reading it as much as I did.

The Snow is Deep on the Ground

By Kenneth Patchen

The snow is deep on the ground.
Always the light falls
Softly down on the hair of my beloved.

This is a good world.
The war has failed.
God shall not forget us.
Who made the snow waits where love is.

Only a few go mad.
The sky moves in its whiteness
Like the withered hand of an old king.
God shall not forget us.
Who made the sky knows of our love.

The snow is beautiful on the ground.
And always the lights of heaven glow
Softly down on the hair of my beloved.
