From the Desk of The Executive Director
KIM MENDOZA

Happy 4th of July! We are lucky at both campuses that you can get a decent view of the celebration without having to venture to the green. ENJOY!

I am sure anyone who has walked outside recently knows that summer is officially here. Spring and summer are my favorite times of the year; being from Florida, I prefer the warmer weather and enjoy time spent at the beach.

This is also the time of year when we need to make sure to take appropriate care of ourselves when outside. Heatstroke is no joke, and can happen very quickly. One thing that is a must is to stay fully hydrated.

We also need to make sure we are keeping an eye out on our pets when they are outside... they are just as vulnerable. So, if you plan on a trip outside, take a bottle of water for you both!

Two other dog related comments: If you haven't noticed, Kelly has posted signs in areas where your furry friends should NOT be relieving themselves. As a dog owner, I know that if a dog continually relieves itself in the same area, it can start to smell. Imagine living on the first floor of your building and opening your window to allow in fresh air... and that isn't what you get.

Secondly, I recently saw a post on Facebook where First State Animal Center and SPCA in Camden were asking for donations of food of any kind. Especially wet food that they use to give medications and to help picky eaters get back to health. You can go onto their website (fsac-sPCA.org/wish-list) for all the donation items for which they request regularly.

Walking around the grounds this time of year is one of my favorite things to do. I especially like to see what individuals have growing in their gardens. If you have a garden box and haven't planted, please do so as there may be

others wanting to use it if you no longer wish to garden. Also, a big shout out to LV3 resident Norma Scaramo's family for utilizing some of the empty garden boxes over at the Luther Village to do a community garden. This same option is available if we have any unused boxes at Luther Towers.

Those of you who frequently plant gardens in the box are aware that you may not get the same box next year. They are assigned on a first come first serve basis. With that said, you will be responsible for clearing old growth out of your box in preparation for planting. Additionally, if you want to add your own planting soil on top of what is in the box, you can certainly do that.

Here are a couple of repeats from previous articles:

PLEASE ensure your cigarette butts are exterminated prior to disposing of them in the receptacles. We continue to have receptacles that start smoking and security/maintenance have to put them out. We certainly don't want this to cause a bigger problem.

(Continued on page 3)

**INFORMATION BOTH
CAMPUSES**

**RENT will be pulled on
July 5th.**

In some months, your rent may not come out of your account on the 4th **due to holidays or weekends.**

Please check with your bank to verify rent funds have been deducted *before* pulling your money out while assuming the rent was already paid.

This will avoid Insufficient Funds problems.

(Continued from page 2)

Repeats from previous articles (cont'd):

Apartment living comes with its fair share of noise; however, we should do our best to ensure it remains as peaceful as possible. Regardless of the time, some individuals may not be feeling well and are trying to rest. So, if you could, please do not allow doors to slam shut when entering/exiting your apartments.

We continually have a lot of traffic (cars) outside of our buildings, either dropping off or picking up individuals or dropping off items. Please remind your guests they are not to leave vehicles unattended in the loading zone, as this blocks other traffic and emergency vehicles from access.

Final thoughts, we frequently hear from residents that someone told me that (fill in the blank). If it has to do with policies at Luther Towers/Luther Village, before you go off telling others, please confirm with staff. I cannot tell you how often misinformation is spread! *Kim*

“Therefore, we are ambassadors for Christ, God making his appeal through us. We implore you on behalf of Christ, be reconciled to God.”

What does this mean...? Jesus, who is at the right hand of God in heaven, has sent you and me to represent Him wherever we are in this world.

2 Corinthians 5:20

SHUFFLEBOARD

Shirley Raikes & Wanda Youmans

Woody Woodward & Paul Wooleyhand

From the Desk of The Deputy Director JESSICA PARSONS

The opening of Luther Village III kitchen was a huge success! We had so much fun and enjoyed spending some time with the residents. We had close to 75 residents attend which is awesome. I want to encourage you to participate often so that we can continue to provide this amenity to Luther Village.

We would like to welcome and thank Faye Fulton (Site Manager) and Shirley Williams (kitchen helper) for making the Grand Opening seamless. These ladies are a joy to be around and are a perfect addition to the Luther Village campus. Please welcome them and stop in and say hello.

I want to clarify a few items regarding the Luther Village III kitchen:

- Lunch is served Tuesdays, Thursdays and Fridays from 11:00am-1:00pm
- Donation is \$2.00
- If you are interested in purchasing an additional meal, you may visit the kitchen at 12:45pm to see if they have extra food
- If you would like to pre-pay meals, you may do so. The volunteer will fill out a card to keep on file.
- Please try and pay with exact change. No bills greater than a \$10 bill unless you are pre-paying.
- Beginning July 1st, sign-ups for eat-in and grab-n-go will be located on a board next to the entrance of Luther Village III activity room. If you plan to eat, please sign up as soon as possible. The count for meals needs to be called in 2 days in advance. We don't want you to miss out!

I want to thank Jack (LT), Mary (LT), Elaine (LV) and Cheryl (LV) who have dedicated time to volunteer in each kitchen. We couldn't do this without you!

As you all know, with rising costs of about **EVERYTHING**, it doesn't stop with utilities. I have observed in the most recent inspections, that many residents left lights and TVs on

when not home and windows open with the air conditioning unit running. We are required to provide utilities based on your lease but also your lease states that you are not to **waste** utilities provided by the landlord. Please make yourself aware of these items when you leave your unit.

We ask that residents inform staff when there is a situation that needs to be addressed with fellow residents, aides or visitors. For example, parking issues, laundry, and noise complaints to name a few. We ask you not to take matters into your own hands and allow staff to handle the not so pleasant situations.

I wish everyone a joyous July 4th! Here are some interesting facts about Independence Day:

- ♦ **Declaration of Independence Date:** On July 4, 1776, the newly independent United States had a population of only 2.5 million. It was on this day that the Declaration of Independence was adopted, signed by 56 men representing the 13 colonies. However, it's worth noting that the actual signing did not occur on July 4th itself.
- ♦ **First Fireworks Display:** Philadelphia witnessed the very first 4th of July fireworks in 1777. Since then, fireworks have become an iconic part of the celebration.
- ♦ **Hot Dog Tradition:** Americans consume a whopping 150 million hot dogs during 4th of July festivities. It's a tradition that's deeply ingrained in the holiday spirit!
- ♦ **Original 13 Colonies:** The Declaration of Independence was signed by representatives from the 13 colonies, officially declaring their independence from Great Britain. These colonies eventually formed the United States.
- ♦ **"Liberty" in Place Names:** In the U.S., there are 33 places with the word "liberty" in their names, reflecting the nation's commitment to freedom and independence.

Medication Management Program Improves Outcomes, Reduces Harms

Effective Medication Management Provides These Benefits:

- Reduces medication-related morbidity and mortality
- Reduces medication errors
- Teaches patients to take an active role in medication use and self-management
- Enhances patient understanding of appropriate drug use
- Increases medication adherence
- Improves adverse drug event detection

Our Interventions Include:

- Medication reconciliation of all prescribed and OTC medications
- Instruction on actions, dosages, schedules, and potential side effects
- Instruction on "What to do if you miss a dose?"
- Pill counting to ensure that dosages aren't being missed
- Encouraging patients follow-up with physician to ensure prescriptions are refilled, as needed
- Filling medication boxes and making a medication board when necessary
- Helping coordinate medication home delivery where available

From The Desk Supervisor – KARI EBERT

Yay for July! I love a good parade, fireworks, and especially hot dogs. 😊 I frequently think about what patriotism means and how differently people express it. We have so many residents (and staff) who are veterans and have served our country over the years with their patriotism, and we can't forget their spouses and children who supported their mission.

Some people show their patriotism by wearing American iconography on clothing or displaying American flags on their homes & cars. Living in a country where the founders believed that all people are created equal is a true blessing.

At times the political turmoil and antagonistic actions from opposing sides can diminish our view of our fellow Americans and what they stand for. Some may think I'm not patriotic because I don't express my political beliefs as loudly as some. Rather, I prefer the quiet constant patriotism of reminding myself to love my neighbor as myself.

I'm not perfect by any means, but continually practicing means I'm making progress. I see many residents practicing this golden rule, too. One kind word can often change the direction of one person's day. Lifting each other up, to me, is patriotism in action. After all, America wouldn't be America without its diverse people to keep it alive.

Fun Facts about July:

- ♦ July 6, 1885, Louis Pasteur gave the first successful rabies vaccine to a 9-year-old boy named Joseph.
- ♦ On July 5, 1946, the world's first bikini made its appearance at a Paris swimming pool.

Kari

The poem below uses the sound that words make to mimic the sound of fireworks as well as words that make us think of war to remember America's battles fought.

July 4th

by May Swenson

Gradual bud and bloom and seedfall speeded up
are these mute explosions in slow motion.
From vertical shoots above the sea, the fire
flowers open, shedding their petals. Black waves,
turned more than moonwhite, pink ice, lightning blue,
echo our gasps of admiration as they crash
and hush. Another bush ablaze snicks straight up.
A gap like heartstop between the last vanished
particle and the thuggish boom. And the thuggish
boom repeats in stutters from sandhill hollows
in the shore. We want more. A twirling sun,
or dismembered chrysanthemum bulleted up, leisurely
bursts, in an instant timestreak is suckswopped
back to its core. And we want more: red giant,
white dwarf, black hole dense, invisible, all in one.

Staff Appreciation by Jeannie Wilson

We all appreciate the staff here at Luther Towers and all they do to ensure we live in a clean, safe and enjoyable environment.

**Would you like to be a part of planning a
Staff Appreciation Day for this December?**

**If so, please come meet me, Jeannie Wilson, in the Library,
to discuss your ideas on Monday, July 15th at 2:00pm.**

WASHER & DRYER • PRICE INCREASE

In October of 2023, a notice for a Laundry Increase was distributed to All Residents. The price had been \$1.50 for a long time but the costs of everything has been skyrocketing – as everyone is well aware.

Luther Towers / Village has suffered increases on a scale we cannot imagine... electricity alone went up 40%!

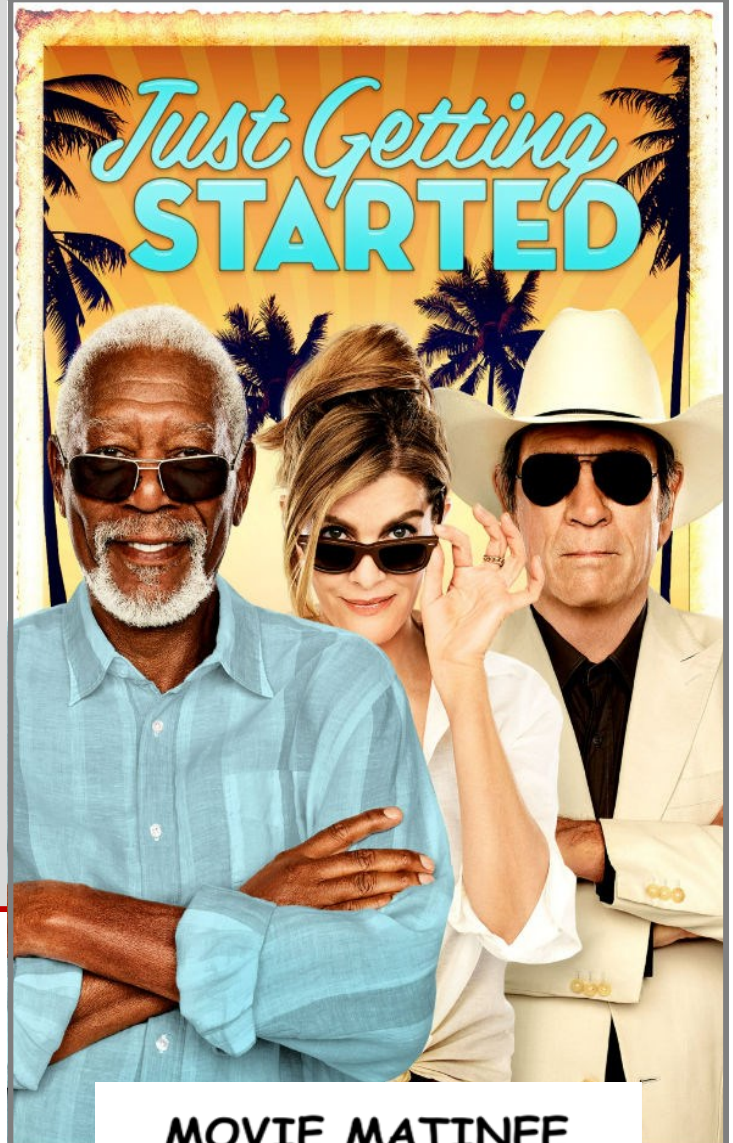

Therefore, as of January 1st, the cost increased to \$2.00 per load to wash and to \$2.00 per load to dry.

Now, as we were informed, the cost is increasing:

July 1st
\$2.50 per load to wash &
\$2.50 per load to dry

Please remember that LT/LV is far less expensive than public laundry facilities. Not to mention the amenities you enjoy everyday!
