From the Desk of The Executive Director **KIM MENDOZA**

A new year has made its presence known, 2025 is HERE! Where has the time gone? I am not one for making resolutions, because how many of them are really kept for any period of time? But it is a great time to reflect on the previous year, and think of things you may want to accomplish for the year to come.

INSPECTIONS: As some of you are aware, we recently had 2 more HUD inspections, and we did really well – thanks both to our amazing maintenance staff and your important cooperation. This couldn't happen without you.

FIX IT! I would like to ask that, if you have been notified we are having an inspection, and something breaks or stops working in your apartment, please contact the front desk as soon as possible. This allows us to fix the problem prior to the inspection.

RESERVED PARKING SPOTS – even though they are appropriately marked, sometimes there are people parking where they should not. I fully understand how frustrating this is if it is your spot and someone is in it. What we ask for you to do is call the Security Personnel on duty and they will do their best to research who is parked there and ask them to move.

FOOD & FELLOWSHIP – We had numerous opportunities last month to get together for food and fellowship. Hopefully you had the opportunity to be involved in some of them. Bayview Terrace came and provided a huge Italian feast to residents on the 18th.

COMMITMENTS – There were over 80 people who had signed up for the Bayview event, but only 50 showed up. These events not only take a lot of effort and planning, but the food costs them money. We would ask that you make every effort to attend these functions if you sign up. It would be a shame for them to not return because the participation numbers were not where they should have been.

Praying you all had a healthy holiday season & are looking forward to another year around the sun!

INFORMATION BOTH CAMPUSES

RENT will be pulled on January 6th.

In some months, your rent may not come out of your account on the 4th **due to holidays or weekends.**

Please check with your bank to verify rent funds have been deducted *before* pulling your money out while assuming the rent was already paid.

This will avoid Insufficient Funds problems.

‘Bus’ted – Bus Blurps
submitted by Chris Fulvio

As winter approaches and you get on the bus, we all know it's cold, so don't make a fuss.

The winds will howl and the snow will fall, icy conditions will approach us all.

So with that in mind
put on your coats and put on your boots... and learn from these conditions, it's better to scoot!!

Oh and don't forget
to change your rollator tires to winter treads, because no one wants to fall on their heads!!

From the Desk of The Deputy Director
JESSICA PARSONS

HAPPY NEW YEAR!! I hope you and your loved ones had a wonderful Christmas and Happy New Year.

We are excited for a new year and all that it will bring. I would encourage you to participate in more events this year, if you didn't in the past. We are very fortunate that we have the ability to do events like we do. Unfortunately if events have little to no participation, we will have to cancel them. We don't like to cancel events because some may enjoy them but they do take a lot of planning and resources so please get out this year and be more involved.

HUD Inspections:

Thank you to all of Luther Towers II and Luther Village II residents for your cooperation in the HUD NSPIRE inspections. We did a phenomenal job! That is a direct reflection from our maintenance and custodial staff and YOU! Great job!

ELECTRIC SCOOTERS AND BIKES:

HUD released a memorandum to increase awareness and provide information regarding fire hazards and fire prevention tips for electric scooters and bikes. The growth in popularity is accompanied by an increase in injuries and deaths.

Fires caused by lithium-ion batteries in these devices are one of the three main causes of injuries and deaths; the other two being motor vehicle collisions and user-control issues.

Below are some GUIDELINES to help prevent electric scooter and bike related fires:

- ◆ Always be present when charging devices using lithium-ion batteries.
- ◆ Only use the charger that came with your device.
- ◆ Only use an approved replacement battery pack.
- ◆ Follow the manufacturer's instructions for proper charging, and unplug the device when done.
- ◆ Never charge while sleeping.
- ◆ Never use these devices with a battery pack that has been modified/reworked by unqualified personnel or with re-purposed or used cells.
- ◆ Never throw lithium batteries into the trash or general recycling. Instead, take them to your local battery recycler or hazardous waste collection center.

Lunch Meals Reminder:

There is a **2-meal limit per day** in the kitchen. (Luther Village must sign up ahead of time.) This includes congregate and grab-n-go meals.

Please, no bills larger than a \$10 bill. If you have a larger bill and would like to have a credit, the kitchen can complete a card for future meals.

KELLY'S REMINDERS:

Now that winter is here and when the weather is bad, there are a few things to remember.

- *Wear warm layers to stay warm.
- *Choose the right shoe – shoes and boots need to fit properly and have soles with good traction.
- *Leave early – falls are more likely to happen when you are in a rush. Allow yourself plenty of time to get to where you are going.
- *Walk like a penguin! Take short steps and walk as flat footed as possible on icy or slippery ground

Happy New Year! I hope your holidays brought you joy and peace. Now it's time to cruise on in to 2025. Can you believe it?

I love the feeling of something fresh and new, like being the first one to walk on freshly fallen snow or writing in a brand-new notebook. What about being the first one to scoop out some peanut butter?

The new year can be like that, but sometimes the hype makes us feel pressure to make resolutions, change our direction or write a new story for our life. *The thing we forget is that every single day we wake up is a clean slate.* We have a new opportunity to try something new, do more of what we love, and let go of habits that don't serve us.

I love love love practicing yoga. One reason is the peace I feel when all I'm thinking of is how to practice a pose. Another reason is my yoga teacher. Her name is Ruby, and she really is a gem. She told me once that **any progress is progress**, and that stuck! No matter what advice and demands other people put on us, as long as we are happy with our daily practice of living, that is the progress that matters.

My wish for you this new year is to ignore the pressure to make big resolutions that will be cast aside; instead, enjoy the new page we get to write on every single day.

Happy
New Year

Quick Reminders:

- If you can't come down to swipe your access card before 2pm, you can call the front desk and we will count that as your stat. If we don't hear from you, we're required to make contact with you. If you don't answer our call, we will come to your apartment to check on you.
- If you have a noise complaint or smell cigarette smoke, we need to investigate and document the occurrence. We can't do that if it's not currently happening. Many residents call well after the fact and we aren't able to confirm it. *Let us know when it's in the process of happening.*

Here's the last stanza of a poem
by **HELEN HUNT JACKSON** called
"NEW YEAR'S MORNING"
that speaks of each day's newness so eloquently.

Always a night from old to new!
Night and the healing balm of sleep!
Each morn is New Year's morn come true,
Morn of a festival to keep.

All nights are sacred nights to make
Confession and resolve and prayer;
All days are sacred days to wake
New gladness in the sunny air.

Only a night from old to new;
Only a sleep from night to morn.
The new is but the old come true;
Each sunrise sees a new year born.
